NEWSFLASH— By: Shelly Coron & Sarah Sprout

On Tuesday, June 1 the 5K-5th grade went to the Navarino Nature Center. Everyone did a pond study. First we put on our boots, took a pool skimmer and scraped it across the water to see what we could find. Then we looked in microscopes. The 5K-2nd did To Be A Tree. That was about learning what kind of trees there were. Paul's was the white pine. They also learned about the marvelous mammals. They got to hold and be close with the animal skins. Jacob's favorite was the wolf. The 3rd-5th grade learned how to build a shelter. They had 20 minutes, a tarp and some string. They could make a teepee, lean-to or pup tent. Everyone in the group had to fit inside. They also learned how to make a fire. Tim, the naturalist, showed how to use a stick and spindle, 2 batteries and steel wool, a metal match and cotton covered with Vaseline.

CCW Closing Banquet

The members and spouses of friends of St. Anthony Council of Catholic Women are holding their closing banquet Sunday, June 13 following the 9:00 AM Mass. It is "family-style" chicken dinner complete with soup and salad at the Caldwell House (Hotel) in Oconto Falls. Please contact Delores Skarban or Ruth Radke personally, or by mail, with your reservation number and payment of \$8.00 per person. (Tip not included.) Reservations due by June 7th.

Kids Gospel Ministry Change

This fall there will be a change in the attendance age to 4K-2nd Grade. We ask our children who have received Holy Communion and all older students to remain at Mass for the Liturgy of the Word and the Homily. As role model parents, we encourage your guidance to discuss the readings and the homily with your child after Mass and through out the week. We pray this change will help our young Catholics make the next step to grow in their faith and join the church community by sitting with their family members and parish community. Thank you everyone for your prayers and support of our young Catholics.
