St. Anthony Renovation Q & A Corner

Q: How are things progressing time wise, money wise?

A: We are on schedule time wise. Extra work was done to hide a microphone cord by the choir. It had been covered with a piece of wood that choir members were tripping over. As for expenditures, the committee decided to spend some extra money on the flooring to get heating vents that are flush with the floor. The old ones were raised and made the chairs, tables and tabernacle pedestal wobbly.

Q: Anything else I should notice?

A: The holy water fonts have been brushed and polished. They look brand new. New ones would have cost between \$300 and \$400 each.

Total Pledged: \$55,565.55
